

MY/CA

Dear Applicant

PGCert / PGDip/ MSc Stroke Practice

Thank you for your interest in the above course. Please find enclosed further information about the course, together with an application form which should be completed and returned to the Centre Administrator.

The course operates in a distance learning format supported by an Induction workshop at the beginning of your studies. This will be run on a full day basis at Leeds Metropolitan University. There are two intakes to the course each academic year in September and January. Please contact the Centre Administrator on 0113 8125918 for the next available workshop date.

Please return your application form to us along with evidence of your academic and professional achievement and references. If your application is accepted you will be sent a registration pack detailing the next available workshop date. For your information, attendance at the Induction workshop is obligatory.

The current fees for the Post Graduate Certificate are £1170 for Home students and £1980 for Overseas students valid until 31 July 2011.

Please do not hesitate to contact us if you require any further information.

Yours sincerely

Mick Young

Principal Lecturer and CCNS Centre Manager
